The Centerville (Ga ) Express takes occasion in its last edition to speak very kindly of the efforts of our authorities to render the city disease-proof, at least so far as lies within the power of a liberal and judicious expenditure of money. That paper says: iture of money. That paper says:
Such enterprise as has been exercised at Memphis
this year is only comparable to that exhibited by
the soldiers in our late war, after much experience,
when told to "make holes and get in them." Fortunately, by the abolition of their chairs, for the time
the citizens were relieved from pressure on their
old public debt. Then, by the prompt payment of a
new tax, the receiver. Dr. Potter, with an excellent
advisory board, has so expend d the sum—six hundred thousand dollars—that what they have accompliabled seems incre thise. Think of it! More than
twenty miles of sewerz to have be no built. About
niteen hundred prity-vaulis have been destroyed,
with excellent water connections to at many
